MARCH, 2010

Dear Coach,

Each year the Woodbury Relays has competition in all field events. These are for the **TOP INDIVIDUALS in their event !!!** The Seeding Committee has a very difficult task in trying to choose those who should compete. We try to only choose the top twenty four athletes in each event.

On your entry form for the Woodbury Relays, you will find the section where you may enter your athlete in any of the Field Events. You will also find a qualifying standard. This is just a guide !!! If your athlete has not reached this level, you may still nominate him/her for that event. Remember, you may use this year's or last year's heights or distances. However, please only enter a mark, which your athlete has obtained !!! (Indoor marks will be accepted.) Tell us where he/she obtained these goals. The Seeding Committee will then choose the Top Twenty four athletes in each event to compete in the relays. You must enter a distance or height.

Once again, we will contest the Women's Pole Vault and the Men's and Women's Triple Jump. We must have at least twelve competitors in each event to contest them. They will count toward your athlete's event count.

Thank you for your cooperation and have an excellent season.

Yours in Track,

Jim Mohan
Meet Director

SEEDING MEETING!!
