

WOODBURY PUBLIC SCHOOLS

Woodbury City Board of Education Property Committee 2008-09 School Year

Committee

Anthony Chiesa, Chairperson
Jerry Lonabaugh
Mary Ellen Moore
William Toole

Outline of Functions and Operations

- Review of Long Range Facility Plan and updating associated timeline for various projects identified,
- Review proposed facility projects for inclusion in upcoming school year budget.
- Hold periodic meetings to allow for committee members to be aware of facility project progress,
- Review and recommend to the full board action associated with large facility projects,
- Investigate cost effective ways to operate and manage school district facilities, and
- Review and recommend to the full board any change in district architect.

Areas of Concern Generally Covered by the Property Committee
