Woodbury City Board of Education Curriculum 2011-12 School Year

Committee

Eliza White, Chairperson
Steven Abbott
Ted Johnson
William Toole

For purposes of this committee "curriculum" means planned learning opportunities designed to assist pupils toward the achievement of the intended outcomes of instruction (Woodbury City Board Policy #2200). Therefore, curriculum will consist of the written curriculum maps for the courses taught, the textbook and other resources associated with the instruction of the courses, and the staff development provided by the district to enhance the delivery of the instruction of the approved curriculum.

Outline of Functions and Operations

- Review the work associated with accomplishing the instructional objectives/action plans included in the district Strategic Plan's;
- Review and recommend to the full board revisions and updates to district curriculum – including new courses/programs;
- Review and recommend to the full board textbook purchases;
- Hold meetings to allow for committee members to be aware of new resources utilized in delivery of instruction – especially in the area of new technology; and
- Review and recommend to the full board specialized professional development opportunities for faculty and administration.
