

WOODBURY CITY PUBLIC SCHOOLS

Woodbury City Board of Education Property Committee 2011-12 School Year

Committee

William Toole, Chairperson
Anthony Chiesa
Ted Johnson
Jerry Lonabaugh

Outline of Functions and Operations

- Review of Long Range Facility Plan and updating associated timeline for various projects identified,
- Review proposed facility projects for inclusion in upcoming school year budget.
- Hold periodic meetings to allow for committee members to be aware of facility project progress,
- Review and recommend to the full board action associated with large facility projects,
- Investigate cost effective ways to operate and manage school district facilities (including exploration of various shared service initiatives), and
- Review and recommend to the full board any change in district architect.

Areas of Concern Generally Covered by the Property Committee

- A. Construction/renovation
- B. Safety issues associated with buildings and grounds
- C. General repair and maintenance and emergent issues
- D. Facility issues that will improve overall educational environment
- E. Security matters
