Re: Field care chemical usage

Please be advised the following products (see back of sheet) are scheduled to be used on Woodbury School District mulch beds. Field applications will be flagged at time of application. A letter will go out for additionally scheduled applications in the future. These letters will also be posted on the website.

Any questions please contact Chuck Alter, Facilities Director, Woodbury Public Schools, 856-853-0123 Ext. 240.

Thank you,

Chuck Alter
