Dear Parent/Guardian:

This letter is to notify you that your child is eligible for free supplemental educational services this academic year. These services will be provided before school, after school, and/or during the summer. The services will be in addition to the regular instruction that your child receives during the school year.

You can choose a tutoring program available through New Jersey Department of Education (NJDOE) list of approved providers. A list of providers is available on the Woodbury Public Schools homepage at <http://www.woodburysch.com/district/nclb/1112SESProviders.pdf>. Please contact me directly if you would like a hard copy of the list. You assume responsibility to arrange the time with the provider and transport your child to the facility.

- The goal of each provider is to help your child increase academic achievement in reading, language arts, and/or mathematics.
- This notification letter is being sent to you in accordance with the No Child Left Behind regulations.
- Students are eligible for this program based on family income and attendance at a school that is identified as being in need of improvement for two or more consecutive years on state mandated tests.

Approved service providers have agreed to provide services that are consistent with the instructional program of the district/state. They have also agreed to provide you and your child's teacher(s) information on the progress of your child.

Please complete the attached form and return it to:

Mr. Edward Murphy, Director of Pupil Personnel Services
