Title I Student-Parent-School Compact

Woodbury City Public Schools

The focus of the Student-Parent-School Compact is to communicate a common goal of home and school responsibilities. These shared responsibilities give every student the opportunity for a quality education. This is a collaborative effort between students, parents, and the school. We celebrate the involvement and collective efforts of the home and the school. This school-parent compact is in effect during school year 2011-2012.

School Responsibilities

We, the Woodbury City Public Schools will provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet the State's student academic achievement standards as follows:

- *Hold parent-teacher conferences twice annually during which this compact will be discussed as it relates to the individual child's achievement.*
- *Provide parents with frequent reports on their children's progress. Progress Reports will be sent home with every student at the mid-point of each marking period during the course of the school year.*
- *Provide parents reasonable access to staff. Teachers and staff members are available to parents/guardians after school hours. It is encouraged that parents send correspondence to teachers in advance in order to schedule this consultation.*
- *Provide parents opportunities to volunteer and participate in their child's class, and to observe classroom activities. Parents/guardians are more than welcome to volunteer in their child's classroom. If a parent/guardian is willing to volunteer their time it is requested that they make contact with the classroom teacher to develop a collaborative schedule.*
- *Involve parents in the planning, review, and improvement of the school's parental involvement policy. Furthermore, on the request of parents, provide opportunities for regular meetings for parents to formulate suggestions, and to participate, as appropriate, in decisions about the education of their children.*
- *Hold an annual meeting to inform parents of the school's participation in Title I, Part A programs, and to explain the Title I, Part A requirements, and the right of parents to be involved in Title I, Part A programs.*
- *Provide to each parent an individual student report about the performance of their child on the State assessment in at least math, language arts and reading.*

Parent Responsibilities

We, as parents, will support our children's learning in the following ways:

- *Monitor attendance.*
- *Make sure that homework is completed.*
- *Volunteer in my child's classroom.*
- *Participate, as appropriate, in decisions relating to my children's education.*
- *Stay informed about my child's education and communicate with the school by promptly reading all notices from the school or the school district.*

Student Responsibilities

We, as students, will share the responsibility to improve our academic achievement and achieve the State's high standards. Specifically, we will:

- *Do my homework every day and ask for help when I need to.*
- *Arrive to school on time.*
- *Attend school on a regular basis.*
- *Respect all people in the school environment.*
- *Follow the rules of the school.*
- *Demonstrate my best effort.*
- *Give my parent/guardian all notices and information.*
