

# WOODBURY HIGH SCHOOL

*PROUDLY PRESENTS*

## SERVICE LEARNING...

### A COMMUNITY PARTNERSHIP

*Connecting our School  
and our Community  
with  
Service Learning*

**Service Learning  
experiences include:**

**PREPARATION  
ACTION  
and  
REFLECTION**

## **A New Focus on Volunteering**

Commencing with the entering freshman of the 2010-2011 school year, Woodbury High School students are now required to complete a total of 72 hours of service learning over the course of their high school careers.

Used as a teaching method that combines meaningful service to the community with curriculum-based learning, Service Learning will provide students with a unique opportunity to improve their academic skills by applying what they learn in school to the real world – including the Woodbury community.

### **COME PARTNER WITH US!**

If your charitable or non-profit agency or organization has events or activities that require “extra hands” we invite you to contact us. You supply the need – and Woodbury High School students will supply the effort

... and a job well done.

Need some suggestions? Our kids are GREAT at:

Gathering donations	Hanging flyers
Reading to the blind	Serving as a “greeter”
Cleaning up local parks	Creating a community bulletin board
Helping at a bake sale	Answering telephones

“If every American donated five hours a week, it would be equal the labor of 20 million full-time volunteers”
