

EVERYDAY MATH PARENT WORKSHOP

In response to feedback received from our Principal's Advisory Committee survey, we will be holding a four part series of workshops for parents focusing on the Everyday Math program.

Purpose of Workshop – Provide parents with an overview of the Everyday Math program and some basic algorithm methods to help support their ability to work with their students in the home environment.

Presenter – Ms. Kathy Estep, District Math Coach

Target Audience – Any parent of an Evergreen Avenue School student

Location – Evergreen School Library

Date & Time – Thursday, February 4th, 2:00 – 3:00pm

If you plan on attending please complete the form below and return to the main office so that we may have an adequate number of materials and worksheets.
