Dear Parent/Guardian:

I would like to meet with you and other parents to discuss your child's educational progress. This is a special meeting about what we can do together to help your child have greater success. We will look at data from the recent MAP tests and the NJASK. This initial meeting will be for parents of 3rd – 5th graders. We will look to include the primary grades at a later date.

This special meeting is scheduled for Friday November 13, 2009 at 1:30 p.m. in the All Purpose Room (APR). It will be for approximately 1 hour of your day. If you are able to arrange your schedule to be here, you will find it to be valuable.

Because we are customizing the meeting for you, we will need to know exactly who will attend. It is important that we prepare information for you about your individual child(ren)'s progress.

Please indicate below whether you will be attending and return the slip to school no later than Thursday Oct. 29, 2009.

I look forward to this special conference and promise to make it informative and helpful.

Sincerely,

Tonya Breland
