Summer 2011

Welcome to all our four-year olds!

As “newcomers” to our school system you undoubtedly have questions as to how everything operates. I would like to take this opportunity to explain some aspects of our program.

We utilize two different classrooms for our Preschool students: Room 1 & Room 2. Your child will be in one of these rooms in either the AM or PM session. AM classes will meet from 9:00 – 11:30 am. PM classes will meet from 12:15 – 2:45 pm.

Each room offers a range of activity centers – art, science, library, music, manipulatives, and so on. Our teachers make each of these centers engaging, interactive, and fun. Each room also has direct access from outside for easy drop off and pick-up.

At the beginning of the school year, our main goals are to:

- Foster an easy separation from parent(s)
- Encourage the adjustment to new classmates and teachers
- Develop a positive attitude toward school and learning

Our Preschool teachers – Christine Abdalla, Suzanne Maxymuk, Dawn Seigel, & Eileen Witman – are all experienced, warm, and caring individuals who love what they do; your child will absolutely enjoy this experience.

Some important dates that you should be aware of are listed below:

- September 1 – **Preschool Back to School Night**
This is an opportunity for you to socialize with other parents, learn about our policies, and have your questions answered.
AM classes – 7:30 – 8:00 pm
PM classes – 6:30 – 7:00 pm
- September 6 – **Preschool Orientation**
Your child and you are invited to meet their teachers, new friends, and learn more about the program. Please wear the

enclosed tag so your child can find their teacher.

AM classes – 9:00 – 10:00 am

PM classes – 12:15 – 1:15 pm

- September 7 – **First Day of Regular School**

(Children Only)

AM classes – 9:00 – 11:30 am

PM classes – 12:15 – 2:45 pm

We embark on a new school year with joy and enthusiasm. We also would like to thank each of you for your support of our program as we take the first steps toward fulfilling the mission of the Woodbury Public Schools:

"Building upon our history, diversity and beliefs, the mission of the Woodbury Public Schools, a leader in personalizing education, is to ensure each child becomes a responsible citizen who excels in his or her endeavors and meets life's challenges with courage, confidence and pride; this is accomplished by utilizing proven instructional strategies and innovative methods by highly skilled and dedicated individuals in partnership with families, our city and the global community."

Sincerely,
