Dear Parent/Guardian:

Today we evacuated the Junior - Senior High School upon the direction of the Woodbury police. A bomb threat was called into the Gloucester County Courthouses, one of which is adjacent to our school.

As directed, all children were moved into our gymnasium and annex – the furthest buildings from the threat. The proximity of this crisis and our desire to ensure the safety of all students necessitated this move. This evacuation kept Junior-Senior High School students secure and out of class for approximately two hours.

We are confident that our past crisis management planning and practice enabled our entire school community to move quickly and orderly to the designated areas. We are extremely proud of our students for the manner in which they handled themselves today and appreciate your continued support.

Sincerely,

Denise Dunham
