ENTRANCE

Reviewing your child's progress on Power School for Parents or by communication with your child's School Counselor—prior to February 24 – will be helpful in guiding your discussion with the teacher/teachers you select to meet.

Parents should plan to conference with each teacher for a maximum of five (5) minutes. Teachers will be prepared to address your child's academic performance and recommendations for improved learning with each parent.

In order to ensure a timely dismissal for our teachers, final conferences will be announced ten (10) minutes before the conclusion of the conference session.

Again, thank you for your support and participation.
