Dear Parents/Guardians,

Welcome to the 2011-2012 school year with Woodbury Junior - Senior High School. This letter is an invitation to join us for our annual Back to School night program on **Wednesday, September 21, 2011**. Back to School Night is always our first formal opportunity to meet the parents of our students and your opportunity to review the programs – academic and extra- curricular that are offered this school year.

The evening will begin at 6:00 p.m. so that parents can sign in and retrieve their students' schedules if needed. A brief general assembly will follow in the auditorium at 6:30 p.m. **Classroom visits begin at the ringing of the bell at 6:45 p.m.** A schedule template is on the reverse side of this invitation for your child to list his schedule just as it is listed for the first marking period. Classes are ten (10) minutes long. Please be sure your child includes the lunch period on the schedule template. The lunch period will give you just enough time to visit the Gold Cafeteria to meet faculty and staff who are not assigned to classrooms during the day (Administrators, Counselors, Child Study Team members, and our PTSA Co-Presidents, and review displays of our co-curricular programs).

The ten-minute class sessions will not provide enough time to conference with teachers; they will, however give you enough time to learn the content of each course and each teacher's requirements and expectation of their students. Time permitting you will be free to ask questions at the end of each teacher's presentation.

Please also note the Principal's Advisory Committee (PAC) invitation and agenda below.

***The strength of the community is directly related to the strength of its schools***

The establishment of the Principal's Advisory Committee (PAC) is in response to the district's five – year Strategic Plan (Strategy IV). The meeting dates and agenda topics for the year are outlined below. I would welcome topics of interest from you at any meeting as well. Thank you in advance for your interest in this committee and the work that I look forward to doing with you.

Sincerely,

Denise Dunham  
Principal
