From: Alysa Cummings, Curriculum & Instruction Supervisor

Re: DIBELS Testing

Date: September 17, 2007

DIBELS testing for the first benchmark will begin on September 24th and run through September 28th as follows:

First Benchmark Assessment Categories:

Kindergarten will test initial sound fluency and letter naming fluency.

First Grade will test naming fluency, phoneme segmentation fluency and nonsense word fluency.

Second Grade will test nonsense word fluency and DIBELS oral reading fluency.

Attached please find sheets for recording scores. Teachers will receive benchmark reports after this benchmark testing. The data from these reports will help drive instruction.

During the week of September 24th – 28th, Instructional Assistants will give the DIBELS Diagnostic Test. This may impact the Instructional Assistants' schedule during that week.

Thank you for your understanding.
