

Dear Parents,

I just wanted to inform you that this month we will be working on a few different themes. All of the projects fall under the fall category. We will be working on Creepy Crawlers, Scarecrows, Pumpkins, and Leaves. While working on these different projects, I will do my best to incorporate math and literacy in all of them. At the end of the month we will be having a pumpkin painting party, where parents are invited to come into the class and paint a pumpkin with your young one. I will be sending home a separate letter come closer to the event. I appreciate all of the kind donations of tissues and hand sanitizer. Homework will begin this month. I will send home a packet every Monday that the students will complete at their own pace, but must return the packet back to school that Friday. All of the assignments will be self explanatory, but if you have a question regarding the homework feel free to email me at any time.

Thank you,

Ms. Kremer
