Dear Family,

Our class is beginning a new program called Reading Buddies. On Tuesdays, I get to bring home a plastic bag containing a book to read to one of you and a paper to fill in about it. I really want to read it myself but if it's a hard book you can help me by giving me a rhyme clue or rereading a sentence with me.

All week I can read it as many times as I want but I have to bring it back on Friday. When I hand in my paper about the book, the teacher will place a sticker next to my name on our reading buddies chart. Then on Monday, I get to take a new book home. By the end of the year, I'll have read 20 different books!

I hope you'll help me by being my reading buddy and reminding me to read during the week and return my book and bag on Friday. The program begins on Tuesday, October 2. I can't wait to start!

Sincerely,
