Dear Parents and Guardians:

We are implementing a Principal's Advisory Committee this year. The purpose of this committee will be to discuss: school life issues, implementation of current action plans, revision of current building-based action plans as necessary, creation of new action plans, curriculum concerns, and intra-school communication.

We hope you will join the Principal's Advisory Committee. The Principal's Advisory Committee shall be comprised of representatives from the following groups within the Walnut Street community: administrators, faculty, support staff, and parents. Students may be included should issues arise that are appropriate for student input.

We want all families to feel welcome and connected to the school. You can assist in this process by working on the Principal's Advisory Committee and becoming a part of the decision-making process for Walnut. If you are willing to assist with this process, please let me know. You can reach me at 853-0123 x447 or jadams@woodburysch.com.

Thanks for considering this opportunity!

Sincerely,

Jeffrey W. Adams, Psy.D.
Principal
