

October 16, 2008

Dear Parents,

In the spirit of the autumn season, the second grade class will be painting pumpkins tomorrow afternoon. We will display them in our classroom for a few days and then send them home for your family to enjoy.

Because painting can get messy, you may want to dress your son or daughter in older clothes or even send in an old shirt to wear over his or her regular clothes. We will do our best to keep the paint where it belongs, but accidents happen.

Thank you for your support.

Miss Suzanne Hill
