

October 8, 2008

Dear Second Grade Family Members,

Our class is beginning a new program called Reading Buddies. On Wednesdays, your child will be bringing home a plastic bag containing a book to read to one of you and a paper to fill in about the book. Some of the books will be too hard for your child to read to you, but you can help by giving a rhyme clue or rereading a sentence with them.

You will have the book all week and can read it as many times as you would like. Please return the bag, book and reading buddy form to school by Wednesday so your child can get a new bag. A sticker will be placed next to your child's name on our reading Buddy chart every time a bag is returned with the reading buddy form filled out. Just think of all the books your child will read this year and how quickly they will make their 25 book goal!

I hope you enjoy being a reading buddy and thank you for reminding them to return their bags each Wednesday.

Sincerely,

Mrs. Bruno
