Dear Parents/Guardians:

I wanted to bring a very important safety matter to your attention which occurred this week. It was reported and confirmed that a student at Evergreen was approached by an unidentified teenager riding a bike on school grounds. The incident has been reported to the Woodbury Police Department.

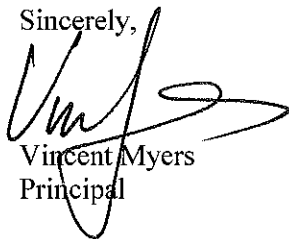

As a school district, we want to ensure the safety of all of our students. We will be speaking to students at school about important safety tips, reporting suspicious situation to staff members, stranger danger, and reminders about school start and end times.

We are asking you to be extra attentive to the following:

- Send your child(ren) to school between 8:25 and 8:30 a.m. We have staff supervision at that time and can better ensure their safety. Students eating breakfast should arrive between 8:15 and 8:30, not sooner.
- Talk to your children about stranger danger and the importance of going to a known adult if they see, experience, or feel something that makes them uncomfortable.
- Whenever possible, accompany your child to and from school.

Together we can make sure all of our students are safe. Additionally, if you have any questions about this situation, please do not hesitate to reach out to me. Thank you for your attention to this matter.

Sincerely,

Vincent Myers
Principal
