

West End Memorial School's Soles4Souls Shoe Drive

December 1-19, 2008.

Mrs. Norris' first grade class will be collecting "gently worn" shoes for Soles4Souls, an organization working to make a difference with the gift of shoes for over 35 states and 50 countries around the world.

A quality pair of shoes protects feet from scrapes, cuts, and contaminants that can lead to potentially serious healthcare issues. For this reason, we are collecting footwear for those without shoes.

If you would like to donate sneakers, boots, or sandals, please clean shoes, tie the laces, or put a rubber band around each pair.

Boxes will be in the school halls for the shoes.

West End PTA will help to ship the shoes to a warehouse for process, to then be shipped domestically and internationally. As a holiday gift to others, your shoes can make a difference.
