Welcome to YOUR School!

The West End PTA is

- focused on enriching your child(ren)'s school experience;
- supported by concerned and active parents and teachers;
- involved in both classroom and school-wide events; and
- dedicated to improving our school strengthened by your involvement.

Please help!

Throughout the year, we are involved in a number of activities, including:

- classroom parties
- fundraising
- book fair
- Mileage Club
- hospitality/refreshments
- Holiday Shop
- Talent Show
- and more!

We are looking forward to a great year with your child(ren) and West End. Please join us and help in whatever way you can!

Room Parents Needed

Volunteering as a room parent is a fun activity and our children greatly benefit. We host three class parties throughout the year - Halloween, Winter and Spring. As room parent, you have the opportunity to be there with your child(ren) for these fun days.

A 'Head Room Parent' for each class organizes the parties. This involves communicating with other room parents for your class, coordinating fun activities with the teacher, sending a letter ahead of time requesting refreshments and recruiting two parents attend each party.

Please consider signing up to help. We will have a meeting in a few weeks to answer any questions you may have. In addition, we will use email to provide updates, sample party flyers and snack suggestions. Please make sure we have your correct email address (see form below).
